Notes on Applying for a Nursery Place

Nursery Places for 3 and 4 Year Olds

Universal Entitlement – From the start of term after they turn 3 years old, children are entitled to 570 hours of free early education and childcare per year, known as the universal entitlement. At our Nursery, this is offered as 15 hours per week for up to 37 weeks of the academic year.

Extended Entitlement – 3 and 4 year olds from working families (who meet the criteria) are eligible for the extended entitlement of 1140 hours per year. We offer this extended entitlement as 30 hours per week over the academic year. This extended entitlement is optional, so parents are able to choose between the universal or extended entitlement for their child (subject to availability).

Will I Qualify for 30 Hours Free Childcare?

Full details of the 30 hours extended entitlement can be found on the Government Website: <https://www.gov.uk/30-hours-free-childcare> or you can call their Helpline on 0300 123 4097.

Nursery Places for 2 Year Olds

Our Nursery accepts children from 2 years old, but those places are not free. If you qualify for the government's FEET funding, your child can start Nursery from the term after they turn 2 years old, and the cost of a 15 hours per week place will be covered by their FEET funding. Alternatively, you can pay for a place as soon as your child turns 2 years old, for either 15 or 30 hours per week (subject to availability). Our fees for September 2022 are yet to be decided but, as a guideline, fees are currently £6.00 per hour.

When Should I Apply?

Our Nursery has an annual intake at the start of the academic year in September, but places are allocated throughout the year if they become available. If you are applying for a 3 year old place for your child to start in September, your application should be with us by mid-January. Applications will not be considered until after the closing date. Children requesting a September start will be notified by Easter as to whether we are able to offer them a place. If you are applying for a 2 year old place, your application should be with us by the end of April, and we will notify you by the Summer half term.

How Are Places Allocated?

Nursery places will be allocated according to the priorities indicated by Surrey County Council's admissions guidelines:

1. Looked after and previously looked after children
2. Exceptional social/medical need
3. Children who will have a sibling at the school at the time of the child's admission
4. Any other children, prioritised according to the distance they live from the school

If we are unable to offer your child a place, they will automatically be added to our waiting list.

Other Points to Consider

We appreciate there is a lot to consider when investigating Nursery options. Please be aware that, as we are a School Nursery, our hours are linked to the School day - 9am to 3pm, and to the academic year, so we are closed during School holidays. We offer 15 hours per week sessions, where your child would attend for 3 hours every day, either mornings or afternoons, or 30 hours per week sessions, where your child would attend from 9am to 3pm each day. Unfortunately, we do not offer flexibility of days or hours around our core sessions. Please take these points into consideration when deciding on the best option for you and your child.
