

How does my child join a live session?

1. To join the live session, click on the calendar and you will see your session on the correct day and time.

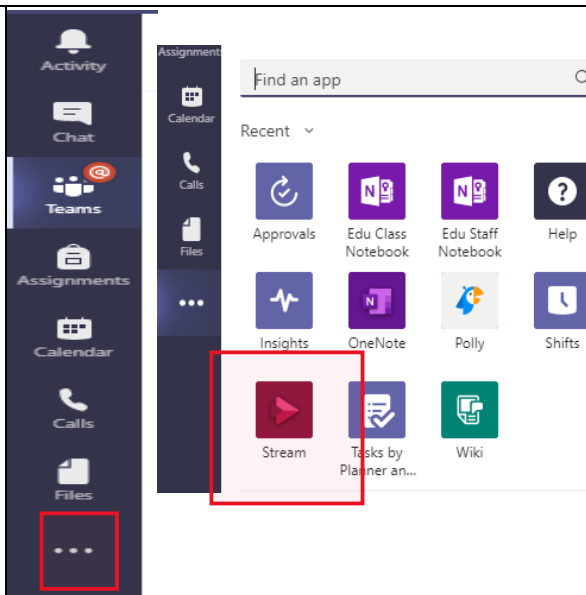

2. Click the purple box which will say 'join' when the session is beginning.

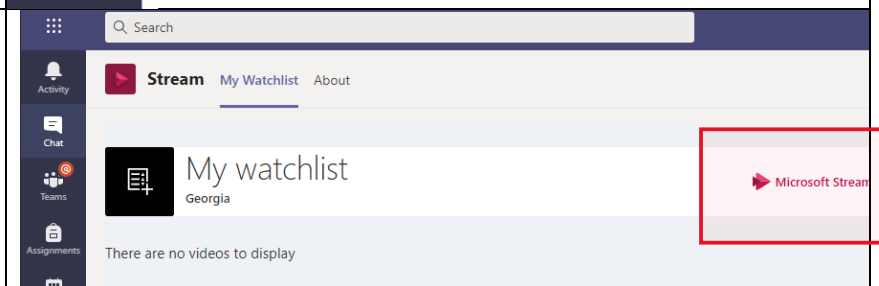

How does my child access live lessons that have been recorded?

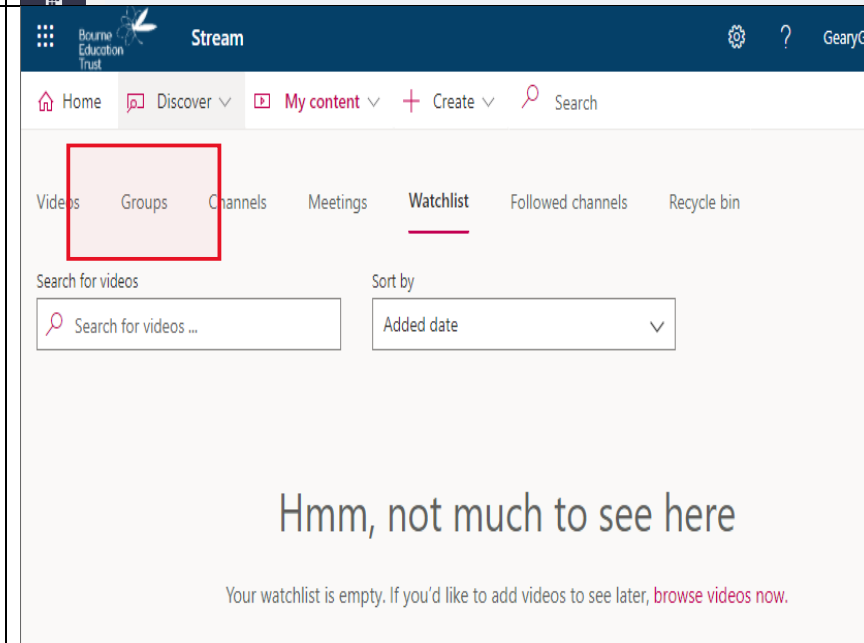

1. Click the three dots and find the application 'Stream'

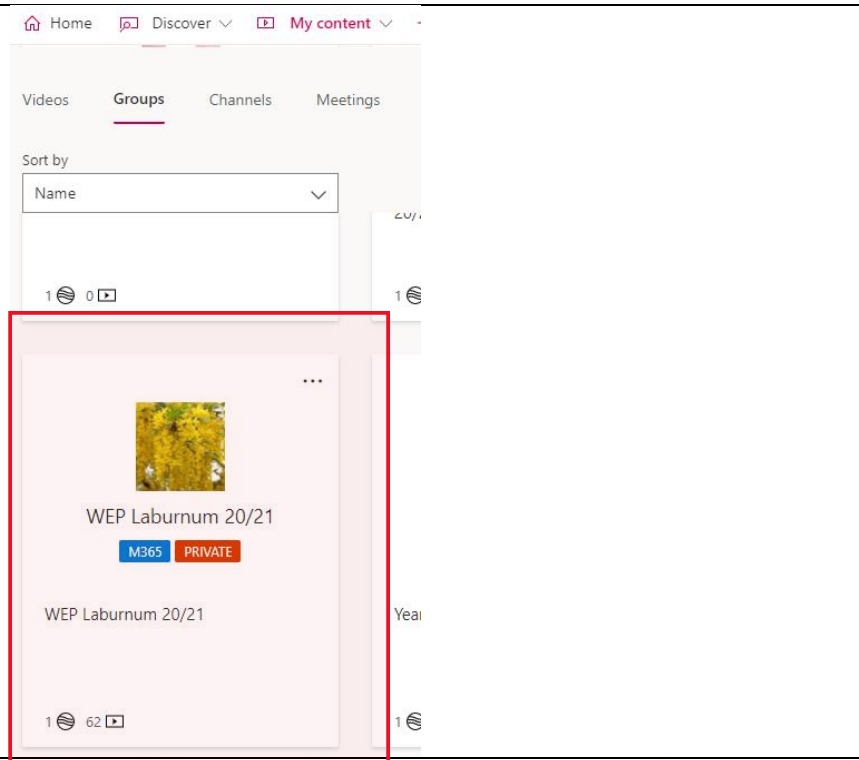

2. Click on 'Microsoft Stream' which will take you to an external link.

3. Click on groups

4. Select your class team and all of the recorded content will show.

5. You can then select videos and find the lesson you need.
